

INSTRUCTIONS FOR AUTHORS

The Journal of Information Technology and Application (JITA) publishes quality, original papers that contribute to the methodology of ICT research as well as good examples of practical applications.

Authors are advised that adherence to the Instructions to Authors will help speed up the refereeing and production stages for most papers.

This file is not shown to reviewers. This file should also contain short biographies for each author (75 words maximum each) which will appear at the end of their paper.
